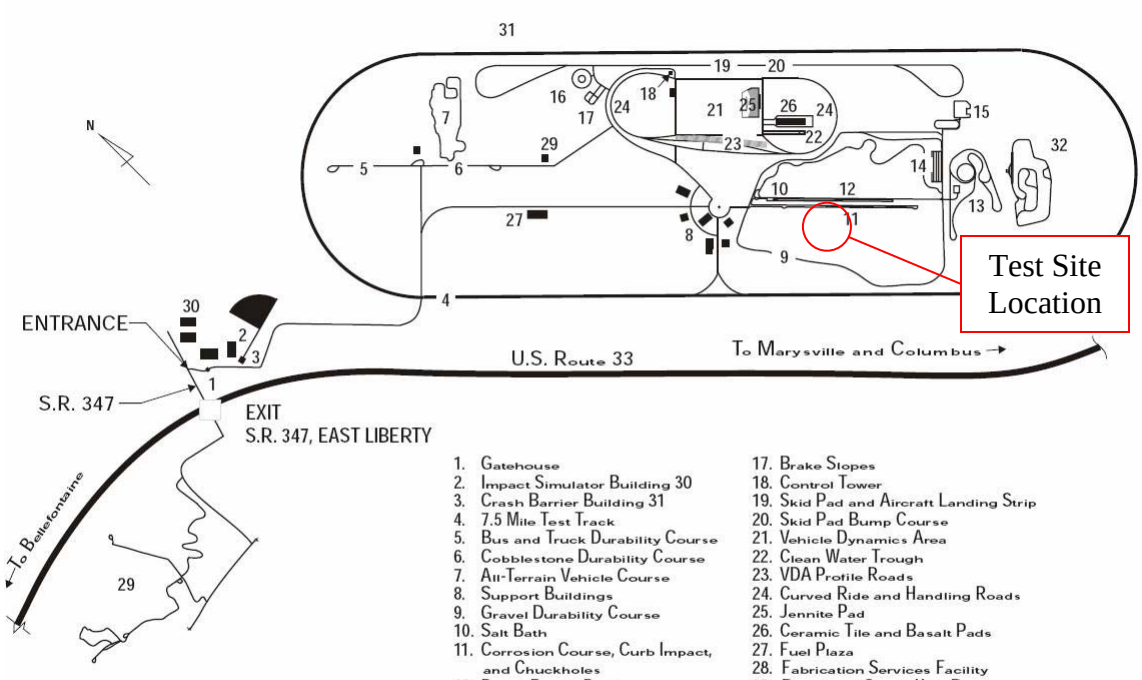
Exhibit 2: Facility Layout Orientation



1. Gatehouse
2. Impact Simulator Building 30
3. Crash Barrier Building 31
4. 7.5 Mile Test Track
5. Bus and Truck Durability Course
6. Cobblestone Durability Course
7. All-Terrain Vehicle Course
8. Support Buildings
9. Gravel Durability Course
10. Salt Bath
11. Corrosion Course, Curb Impact, and Chuckholes
12. Paved Rough Road
13. Winding Road Course
14. Off-Road Durability Courses
15. Off-Road Mobility Courses
16. Brake Soak
17. Brake Slopes
18. Control Tower
19. Skid Pad and Aircraft Landing Strip
20. Skid Pad Bump Course
21. Vehicle Dynamics Area
22. Clean Water Trough
23. VDA Profile Roads
24. Curved Ride and Handling Roads
25. Jennite Pad
26. Ceramic Tile and Basalt Pads
27. Fuel Plaza
28. Fabrication Services Facility
29. Paved and Gravel Hilly Roads
30. Emissions Laboratory Building C
31. Noise, Vibration, and Harshness Courses
32. Dynamic Handling Course
