Mr. Leppold,

The Financial Operations department cannot re-associate a payment that is associated with one application to another application as you have requested.

You will have to pay for the pending application: 0298-EX-PL-2012 and request a refund of the payment made on 5/21/2012 if it was submitted in error.

Thankyou for tghe quick response - The PTC is the same (me) and call sign associated with the new license is listed as WG2XHC on the FCC web site. If you can tell me what the "FCC Code @" is, perhaps I can provide information on that as well.

Please call me at

Thankyou very much,

Mr. Leppold,

Here are the payment details that match your attachment. The Financial Operations department cannot associate it with another filing: 0298-EX-PL-2012 without more information from OET. We would need to know whether or not the PTC, Call sign, and FCC Code 2 need to be changed and if so, to what.
