Subject:	FAA Concurrence of Record TRK 160288, Project: RAYTHEON EMI RENEWAL
Date:	Tuesday, November 15, 2016 9:52:46 AM

Dear WebFCR User,

The above record submitted to FAA for coordination, TRK 160288 is assigned an FAA Coordination number NG T160411 and indicates FAA's concurrence. Please note that this does not constitute authority to transmit. A formal application that includes reference to this FAA Coordination number needs to be filed with the FCC. Your authority to transmit must be obtained from the FCC.

Please note that this coordination expires on 5/14/2017. If you need an extension, please send your request via the inquiry option in WebFCR, available for this assignment under the "Dashboard" tab.

This is an automated message. Please login to WebFCR.faa.gov to respond if there are any questions.
