Energizer®

IDEAL FOR
Entries, stairways, closets, hallways, bathrooms, utility rooms and more!

IDEAL PARA
escaleras, entradas, armarios, pasillos, baños, cuartos desenvolo y otros!

OPERATION
ON/OFF/RF control switch
REMOTE OPERATION:
Before using the remote for the first time, remove the clear plastic tab inside the remote control battery compartment. Slide the switch to the RF position. Push the remote switch to turn lights on and off.
NOTE: All products are pre-paired on a single channel

FUNCIONAMIENTO
interruptor encendido/apagado/remoto (ON/OFF/RF)
FUNCIONAMIENTO REMOTO
Deslice el interruptor en la parte inferior del candelabro a RF. Presione el interruptor basculante en el control remoto para encender y apagar la luz.
NOTA: todos los productos están preconectados en un canal

BATTERY INSTALLATION:
LIGHTS: For each light, remove the battery cover on the back of the light and insert 6 AA size batteries noting polarity. Replace back.
REMOTE: To replace exhausted batteries, open the battery compartment on the back of the remote. Insert 2 CR2032 batteries noting polarity. Replace cover.

INSTALACIÓN DE LAS PILAS
Luces: Para cada luz, quitar el compartimiento de la batería en la parte posterior de la luz e inserte seis baterías AA observando la polaridad. Vuelva a colocar la cubierta.
Remoto: Para sustituir las baterías gastadas, abra el compartimiento de la batería en la parte posterior del control remoto. Inserte 2 baterías CR2032, observando la polaridad. Vuelva a colocar la cubierta.

EASY TO INSTALL:
Screws, anchors & double-sided tape included for easy mounting
FÁCIL DE INSTALAR:
Para una instalación fácil se incluyen tornillos y cinta adhesiva de doble cara

IMPORTANT:
Different types of batteries or new and used batteries should not be mixed. Exhausted batteries should be removed from the fixture and disposed of properly.

IMPORTANTE:
No use diferentes tipos de baterías o baterías nuevas con usadas. Las baterías agotadas deben retirarse de la unidad y desecharse correctamente.

FCC Statement
Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and

(2) This device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
—Reorient or relocate the receiving antenna.
—Increase the separation between the equipment and receiver.
—Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
—Consult the dealer or an experienced radio/TV technician for help.he
