RE: LETTER FOR CLASS II PERMISSIVE CHANGE

To whom it may concern:

We, JVC Kenwood Corporation, request Class II permissive change since an authorized device (FCC ID: K44515050) has changed to add the new host device without any hardware / Software changes.

(Original Grant date: 08/24/2022)

- ✓ Adding New Host product, VP8000-F2 and VP8000-F3 including portable RF Exposure condition.
- ✓ Changing antenna trace design described in technical documents.

If you have questions, please contact the undersigned.

Sincerely,

K. Akaike
