FCC Warning Statement

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception,which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.

- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and

(2) this device must accept any interference received, including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

Warning

① Children under the age of 14 cannot be used alone and must be accompanied by adults.0-3 years old children are not allowed to touch this product.

② This product may contain glass; please avoid colliding it with blunt objects or subjecting it to blows to prevent the glass from breaking. If the glass does break, do not pick up the shards with bare hands to avoid injury. Instead, use gloves, a vacuum cleaner, or other appropriate tools to clean the broken glass.

Music Box

Cautions ①

① The product should avoid the collision or frictional movement.

② Do not apply local heating or cooling to the product.

③ Do not apply cleaning agents or abrasive particles to the product's surface.

④ Do not come into contact with strong acids or strong alkalis, which are corrosive.

⑤ Do not put the product in a humid or high-temperature environment for a long time.

⑥ If you receive products packed with reinforced sponges for shipping, it is necessary to remove them before using them.

Music Box

Cautions ②

⑦ If the water ball is frozen due to extremely cold weather, wait for natural thawing before using it (do not heat to accelerate thawing, as this may cause damage to the product's functionality). Note: the internal liquid is distilled water and antifreeze, which are non-toxic,but it is prohibited to ingest them accidentally.

⑧ To ensure tightness, the thermal cutting process used for foam packaging may result in brushed lint on the foam. To facilitate cleaning, it is recommended to open the packaging on a flat table.
