This device complies with Part 15 of the FCC Rules. Operation is subject to **the** following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Low Cost Node Model# 612

FCC ID: KNK-LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Low Cost Node Model# 612

FCC ID: KNK-LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Asset Tag Model# 612

FCC ID: KNK- LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Low Cost Node Model# 612

FCC ID: KNK-LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Low Cost Node Model# 612

FCC ID: KNK-LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Low Cost Node Model# 612

FCC ID: KNK-LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Asset Tag Model# 612

FCC ID: KNK- LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Low Cost Node Model# 612

FCC ID: KNK-LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Low Cost Node Model# 612

FCC ID: KNK-LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Low Cost Node Model# 612

FCC ID: KNK-LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Asset Tag Model# 612

FCC ID: KNK- LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Low Cost Node Model# 612

FCC ID: KNK-LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Low Cost Node Model# 612

FCC ID: KNK-LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Low Cost Node Model# 612

FCC ID: KNK-LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Asset Tag Model# 612

FCC ID: KNK- LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Low Cost Node Model# 612

FCC ID: KNK-LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917

Low Cost Node Model# 612

FCC ID: KNK-LCNODE2
Contains FCC ID: YOPGS2011MIE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

Secure Care 39 Chenell Dr., Concord, NH 03301
Phone No. 800-451-7917
