Dear Joann,

Sumita Mukhoty contacted us last week regarding the 214 Authorization pro forma assignment from EPM to Cinco Telecom. She stated that there are two outstanding items to provide to the FCC before the assignment will be granted. Please find the responses to these items below:

1. The date of consummation was **January 7, 2009** and
2. EPM will **not be providing any services in the United States.**

Thank you for your assistance and please let me know if there are any further questions or information that you would like for us to provide. My colleague Kari DiPalma will be out of the office until Monday, March 16. If you need to contact us during that time, please do not hesitate to contact me at flavia@tmgtelecom.com or by phone at 703.224.1501.

Best regards,

Flávia
