Re: *Bonneville International Corporation*
Transmit/Receive Earth Station in Salt Lake City, Utah
Call Sign: E2529; File No. SES-MOD-20061108-01968
Certification of Commencement of Operation

Dear Ms. Dortch:

Pursuant to Section 25.133(b) of the Commission's rules, 47 C.F.R. § 25.133(b), Bonneville International Corporation ("Bonneville") hereby certifies that the new 7.0 meter antenna added to Earth Station E2529, which was licensed on December 18, 2006, has been constructed and placed into operation on December 7, 2006 pursuant to special temporary authority.[1] Bonneville certifies that the antenna facility has been tested and is within 2 dB of the pattern specified in Section 25.209 of the Commission's rules, 47 C.F.R. § 25.209. Bonneville further certifies that the antenna will remain operational for the duration of the license period unless the license is submitted for cancellation prior to the expiration date.

Should you have any questions regarding this certification, please contact counsel for Bonneville on this matter, Timothy J. Cooney of Wilkinson Barker Knauer, LLP, 2300 N Street, N.W., Suite 700, Washington, D.C. 20037; telephone number (202) 783-4141.

Sincerely,

David K. Redd
Secretary
