

Operating Instructions:

BATTERY CONSIDERATIONS

- 1) This product and the remote control use 1.5V "AA" non-rechargeable batteries.
- 2) The battery should be taken out and installed in correct polarity and voltage to avoid short circuit.
- 3) Non-rechargeable batteries cannot be charged.
- 4) Rechargeable batteries must be charged under adult supervision.
- 5) The rechargeable battery should be removed from the toy before charging.
- 6) Different types of batteries or old and new batteries cannot be mixed.
- 7) Only batteries that are the same as or equivalent to the recommended batteries can be used.
- 8) The exhausted battery should be taken out of the toy. If it is not used for a long time, please take out the battery from the toy.
- 9) The power terminals should not be short-circuited.
- 10) Never connect to the power sources which are more than recommended.

WARNING

- . KEEP new and used batteries OUT OF REACH of CHILDREN
- . Seek immediate medical attention if a battery is suspected to be swallowed or inserted inside any part of the body.

Requires 3 x LR44(1.5V) batteries in Try Me Button

 **WARNING:**
CHOKING HAZARD - Small parts.
Not for children under 3 years.

Requires 5 x "AA" batteries (not included)

3x1.5V "AA"-Batteries Not Included (Car unit)

2x1.5V "AA"-Batteries Not Included (Remote Controller)

- a. Remove and immediately recycle or dispose of used batteries according to local regulations and keep away from children. Do NOT dispose of batteries in household trash or incinerate
- b. Even used batteries may cause severe injury or death
- c. Call a local poison control center for treatment information
- d. Battery type: LR44
- e. Battery voltage: 1.5V
- f. Do not force discharge, recharge, disassemble, heat over 26°C or incinerate. Doing so may result in injury due to venting, leakage or explosion resulting in chemical burns.
- g. Always completely secure the battery compartment. If the battery compartment does not close securely, stop using the product, remove the batteries, and keep them away from children.

IN THE INTEREST OF BETTER QUALITY AND VALUE, WE ARE CONSTANTLY IMPROVING AND UPDATING OUR PRODUCTS. CONSEQUENTLY, PICTURES ON THIS PACKAGE MAY SOMETIMES DIFFER FROM THE MODEL ENCLOSED.

FCC STATEMENT

FCC Statement:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
