LIMITED WARRANTY
(EUROPE, AFRICA AND MIDDLE EAST)

Valid for and only applies to products purchased and used inside Europe, Africa and Middle East.

Wacom warrants to you, as the initial purchaser, (hereinafter referred to as "you" or "the customer") that the product hardware will remain free from defects in materials and workmanship under normal use and service for a warranty period of two (2) years, commencing from the purchase date and provided that the product was unused at the time of purchase. Defects in wear parts (e.g., battery, tablet surface sheet (if any) and pen nibs) resulting from normal wear and tear are exempt from the warranty. Furthermore, Wacom warrants that the data carriers delivered with the product are free from defects in materials and workmanship under normal use for a period of six (6) months from the date of purchase. If during the applicable warranty period the product, excluding any software, is discovered to be defective, it should be returned immediately to the place of purchase in its original packaging together with your name, address, and telephone number, a description of the problem, and a copy of the original receipt. The customer shall be liable for any possible damage or loss of the product during transit to the place of purchase for this purpose. The repair or replacement of the product may result in the loss of application or data. Whenever technically possible, you must take a copy of all application and data from the product before sending to Wacom. Wacom's sole obligation and entire liability under this warranty shall be, at Wacom's option, either the repair or the replacement of the product or parts thereof that prove defective and that were returned within the applicable warranty period. Wacom does not warrant to repair or replace the product if: (a) the damage to the product results from accident, misuse, improper use, negligence or unauthorized alteration or repair; (b) the product was not handled or stored according to the instructions provided by Wacom; (c) the damage resulted from normal wear and tear of product parts; or (d) the serial number affixed by Wacom has been removed or rendered unintelligible. Any descriptions, drawings, specifications, samples, models, notifications or similar material provided in connection with the purchase of the product cannot be taken as an explicit guarantee that the product corresponds to or fulfils your requirements. The warranty guaranteed by law remains unaffected. You can claim defects of the product in accordance with the relevant legal provisions.
Wacom shall only be liable for itself and its vicarious agents if a material contractual obligation has been culpably breached in a manner jeopardising the purpose of the contract or the damage is due to intentional acts or omissions or gross negligence. A material contractual obligation is an obligation which is essential to the proper performance of the contract on which the other party will typically rely. In case that the culpable infringement of such a material contractual obligation is not due to intention or gross negligence, the liability of a party shall be limited to such damages being typical for the contract and which were reasonably foreseeable at the time of the conclusion of the contract. Where these Terms and Conditions preclude or limit liability, this also applies to the personal liability of the executive officers of the party concerned, its employees, agents and subcontractors. The provisions of the product liability law (Produkthaftungsgesetz) remain unaffected. If, when a claim made under this warranty is checked, it emerges that it is outside the permitted time period or is not covered by the warranty or that the product is not defective, the customer will reimburse Wacom for associated costs. This limited warranty shall apply if the registered office of the vendor is situated in the EU or Iceland, Norway, Jersey, Switzerland, Russia, the Ukraine, Croatia, Serbia, Tunisia, Turkey, Syria, Lebanon, Jordan, Israel, Egypt, the United Arab Emirates, Iran or South Africa. This warranty is subject to German law. However, the applicability of the United Nations Convention on Contracts for the International Sale of Goods is explicitly excluded. The city of Düsseldorf, Germany, is the sole place of jurisdiction for all claims arising from this contractual relationship and all disputes between the parties resulting from the formation, handling or termination of the contractual relationship, provided that the customer is a trader, a legal entity or fund under public law. The jurisdiction agreement shall also apply for customers who do not have a general place of jurisdiction in Germany. The jurisdiction agreement shall not apply if, due to legal provisions, a different sole place of jurisdiction must be established for the case. Furthermore, Wacom is authorised to file a lawsuit against the headquarters of the customer.
Should one of the provisions of this limited warranty be or become void, the validity of the other provisions shall not be affected, in full or in part. Should a provision be invalid, the legally permissible regulation most closely resembling the invalid regulation shall apply in its place.
