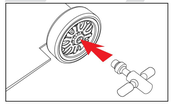
1:16 SCALE

MADE IN CHINA



Instructions for battery operated toys

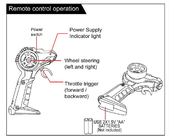
1) Batteries should only be inserted or changed by an adult.
2) Switch the toys to the "off" position before inserting batteries.
3) Insert batteries correctly in the manner shown.
4) Do not mix old and new batteries, nor mix brands or types.
5) Replace all batteries at the same time with new ones.
6) Do not mix old and new batteries.
7) Remove batteries from the toy if it is for long periods of time when it is not in use.
8) Do not use rechargeable batteries.
9) Remove old batteries from the toy.
10) Dispose of used batteries safely.
11) The supply terminals are not to be short-circuited.

THE TOY SHOULD BE ASSEMBLED PROPERLY BY AN ADULT BEFORE USE

FCC statement
Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.
If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
– Reorient or relocate the receiving antenna.
– Increase the separation between the equipment and receiver.
– Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
– Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure statement
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Remote control operation



This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1)This device may not cause harmful interference, and (2)This device must accept any interference received, including interference that may cause undesired operation.
Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
