SAFETY PRECAUTIONS

- Do not operate during inclement weather or at night.
- Avoid water, sand and snow when operating car.
- Do not overcharge or attempt to recharge batteries.
- Never operate your car on the street or highway.
- Never operate your car in the vicinity of people, animals or obstacles.
- Do not run your car into trees, objects or hard surfaces, as this will cause permanent damage.
- Keep fingers, hair and loose clothing away from the tires, gears and motor while the car is operating, as injury may occur.
- Do not leave car or transmitter near sources of heat or under direct sunlight for long periods of time.
- Do not leave car or transmitter outside overnight. Dampness is harmful to electric components.
- Do not operate your car when it is used to avoid accidental injuries.
- Adult supervision is recommended when operating the car.

BATTERY WARNING:

- Do not mix old and new batteries, or mix alkaline/alkaline batteries.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries.
- Insert batteries correctly as shown on the battery compartment or battery pack.
- Remove batteries when not playing for an extended period of time.
- Remove batteries and remove any leaking batteries immediately.
- Do not short circuit the battery terminals.
- Do not dispose of batteries in fire.
- Remove batteries, and recharge if instructions mention use and warnings.
