

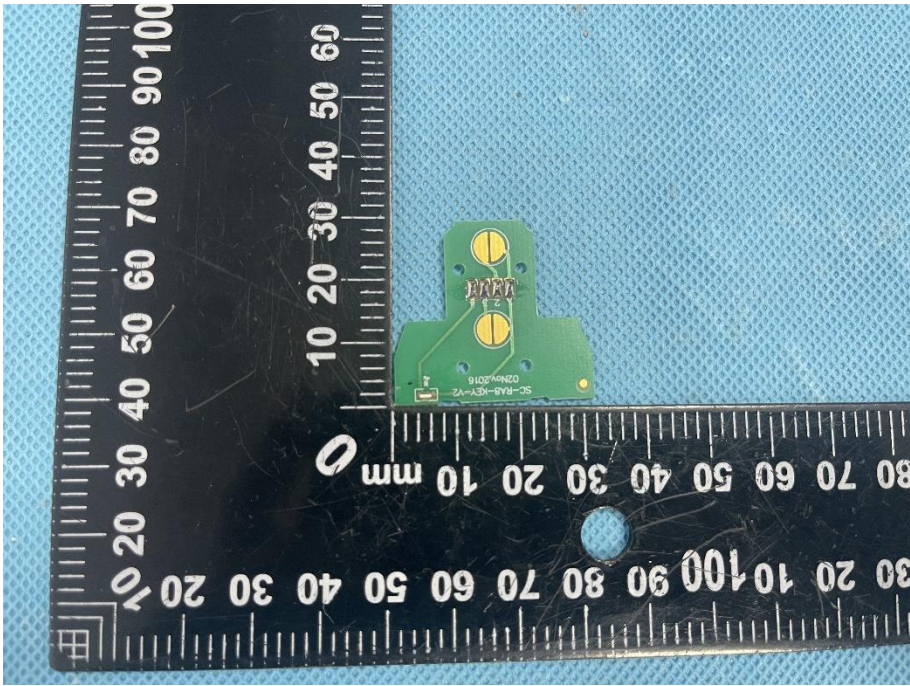

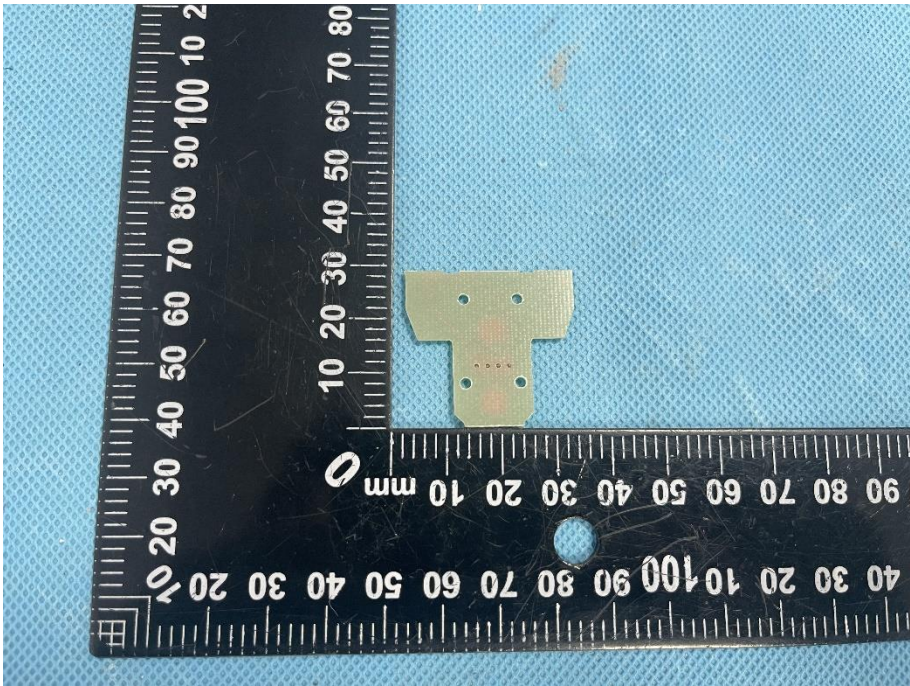

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

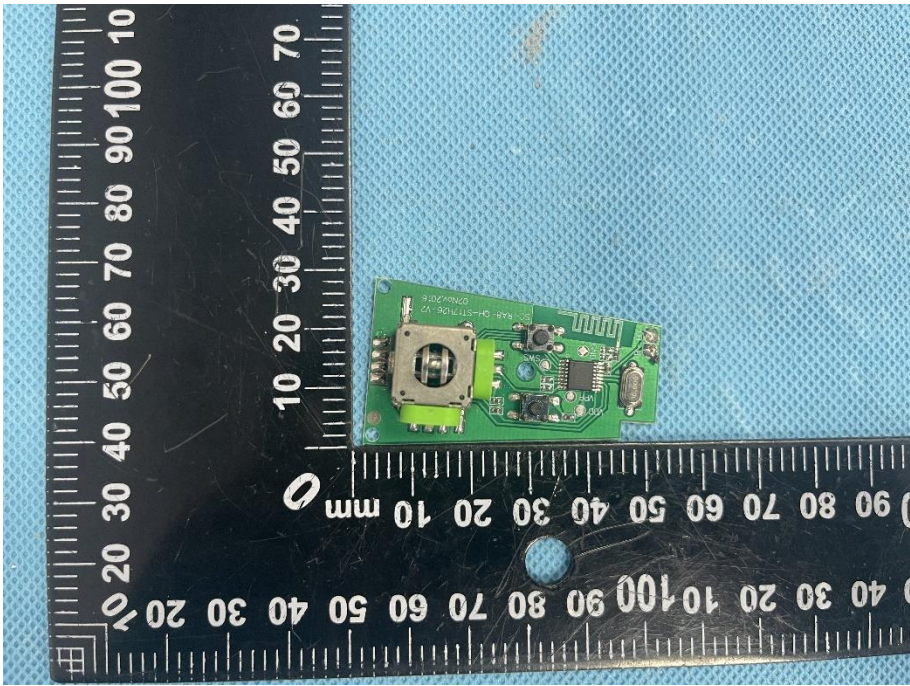

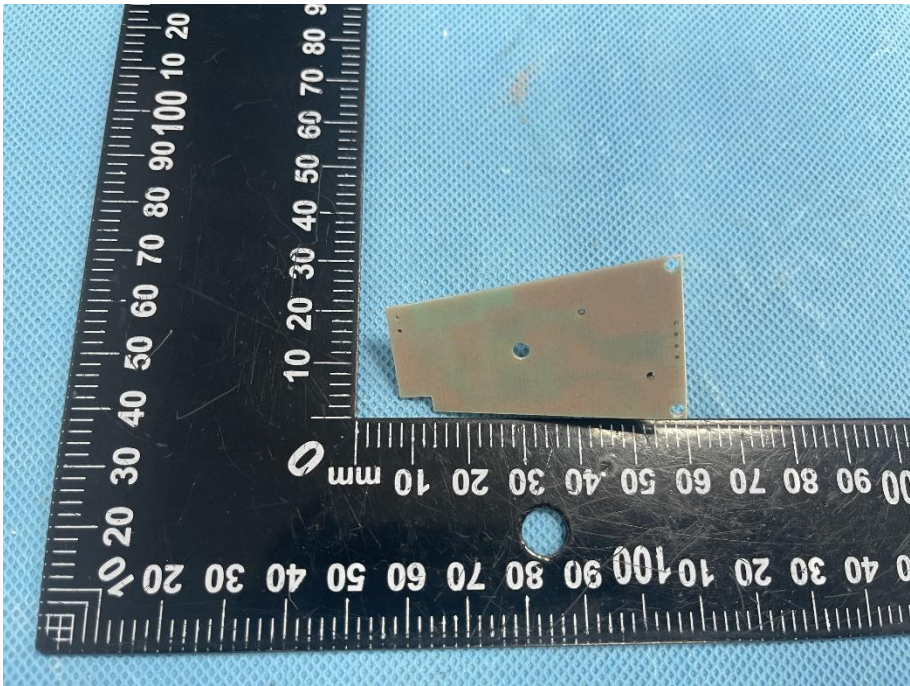

**EUT Housing and
Board View 1**

**EUT Housing and
Board View 2**

<p>Solder Board-Component View 1</p>	 A photograph of a green solder board component with two yellow circular pads and a central component. The component is placed on a black ruler with white markings for scale. The ruler shows measurements in millimeters, with the component positioned between the 10mm and 60mm marks. The background is a blue textured surface.
<p>Solder Board-Component View 2</p>	 A photograph of the same solder board component from a different perspective, showing its profile. The component is placed on a black ruler with white markings for scale. The ruler shows measurements in millimeters, with the component positioned between the 10mm and 60mm marks. The background is a blue textured surface.

<p>Solder Board-Component View 3</p>	 A photograph of a green printed circuit board (PCB) component with various electronic components, including a large silver component and several smaller components. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component positioned between the 10 mm and 70 mm marks.
<p>Solder Board-Component View 4</p>	 A photograph of a rectangular, light-colored PCB component with a central hole and two small holes near the bottom edge. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component positioned between the 10 mm and 70 mm marks.
