Date: 2024-04-15

FCC ID: **2BDJO-K3Y025A**

FCC E-Label Information:

1. According to FCC rule part 2.925 (d) justification of using the alternative method of e-labeling for the product
 - a. The product will be used in conjunction with smartphone apps. The device will also be installed inside the glovebox of vehicles; thus, it is not practically feasible or appropriate to place a permanent legible label on the device.
2. According to KDB 784748 D02 e labeling v02 section 4, for devices with an integrated electronic display, or those devices that only operate in conjunction with another associated product that has an electronic display, below info has been stated in e-label and/or user manual.

A. User Steps to Access Information

Follow the user manual instructions to install the companion mobile application called Consol3.

Step 1 – Open the app and enter the username and password to login.

Step 2 – Navigate to the “Settings” page and tap on the “User Manual”

Step 3 – Navigate to the “Regulatory” section, where applicable regulatory information is displayed

- B. Products must not require special accessories or supplemental plug-ins (e.g., the installation of a SIM/USIM card) to access the information.

End user can access to product-related information at the time of purchase in the user manual, or by using the Consol3 mobile application without requiring special accessories or supplemental plug-ins.

Readability of Regulatory Information

| Information | on E-label | In Manual |
|--|------------|-----------|
| FCC ID number | Yes | Yes |
| FCC logo | Yes | Yes |
| 15.19 statement (“ <i>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</i> ”) | Yes | Yes |
| Class A / B Digital Device user manual statements | Yes | Yes |
| Caution to the user that changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment | Yes | Yes |

Product Name: Connected AI-Powered USB Flash Drive

Model: K3Y

FCC ID: 2BDJO-K3Y025A

IC: 31604-K3Y025A

Federal Communication Commission Interference Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide

Matt3r Technologies Inc.
550-375 Water Street
Vancouver, BC, Canada
V6B 5C6

reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate this equipment.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

This device meets all the other requirements specified in Part 15E, Section 15.407 of the FCC Rules.

C. Regulatory Information must be Secure

The regulatory information and dedicated exclusive application(s) or script(s) will be secured and implemented in a factory-set-unalterable format.

The regulatory information will be capable of being retrieved and displayed locally and access by the end user. There is no way that info is modified by end user.

D. Physical and Temporary label for Purchasing and Importation

The packaging box has the following label indicating the FCC ID.

E. Additional Considerations(Modular transmitters)

Device is not a modular device.
