In Application of

3G Wireless, LLC

501 McCormick Drive, Suite B

Glen Burnie, MD 21061

To operate at 2205MHz, 2225MHz, 2245MHz, 2265MHz, 3405MHz, 3425MHz, 3445MHz and 3465MHz throughout the continental United States on an "as needed" basis.

ATTN.: Microwave Branch

3G Wireless, LLC hereby requests Special Temporary Authority (STA) to operate at 2205MHz, 2225MHz, 2245MHz, 2265MHz, 3405MHz, 3425MHz, 3445MHz and 3465MHz pursuant to Section 21.25 of the Commission's Rules. 3G Wireless, LLC requests that the Commission grant it temporary authority to operate on the frequencies centered at 2205MHz, 2225MHz, 2245MHz, 2265MHz, 3405MHz, 3425MHz, 3445MHz and 3465MHz with an 8 MHz bandwidth from May 23, 2018 through May 27, 2018 with intermittent usage. As explained below, 3G Wireless, LLC is filing an STA request to provide four mesh radio systems and four In-Car camera systems to the Charlotte Motor Speedway during the Coca-Cola 600 race for Nascars's presentation of "the Coca-Cola 600". 3G Wireless, LLC submits that there are extraordinary circumstances warranting a grant of the STA request. Nascar Productions has contracted 3G Wireless, LLC to provide wireless camera systems to operate within the Charlotte Motor Speedway during the Coca-Cola 600 Race. Due to the extreme frequency congestion throughout the United States, coupled with the added congestion from traditional Television and News coverage of area events, 3G Wireless requests the use of these channels.

3G Wireless, LLC certifies that the operation of the requested channel for the purposes specified herein will not cause interference to any established stations. Grant of the instant request for STA for 2205MHz, 2225MHz, 2245MHz, 2265MHz, 3405MHz, 3425MHz, 3445MHz and 3465MHz would serve the public interest by enabling 3G Wireless, LLC to supply the requested remote camera systems for

Telephone 410 564 9291.

Respectfully submitted,
