In re Application of

3G Wireless, LLC

501 McCormick Drive, Suite B

Glen Burnie, MD 21061

To operate at 2217 MHz 450-461 MHz throughout the continental United States on an "as needed" basis.

ATTN.: Microwave Branch

3G Wireless, LLC hereby requests Special Temporary Authority (STA) to operate at 2217 MHz and 450-461 MHz pursuant to Section 21.25 of the Commission's Rules. 3G Wireless, LLC requests that the Commission grant it temporary authority to operate on the frequency centered at 2217MHz with an 10 MHz bandwidth and 450-461 MHz from June 22, 2018 through June 24, 2018 with intermittent usage.

As explained below, 3G Wireless, LLC is filing an STA request to provide an additional RF camera system and radio communications to WeatherTech Raceway Laguna Seca racetrack during the Moto America Laguna Seca Raceway stop for our Client Dorna and ImaginaUS during the presentation of "Moto America Racing". 3G Wireless, LLC submits that there are extraordinary circumstances warranting a grant of the STA request. ImaginaUS has contracted 3G Wireless, LLC to provide wireless camera systems to operate at the WeatherTech Raceway Laguna Seca race track for their telecast. Due to the extreme frequency congestion throughout the United States, coupled with the added congestion from traditional Television and News coverage of area events, 3G Wireless requests the use of these channels.

3G Wireless, LLC certifies that the operation of the requested channel for the purposes specified herein will not cause interference to any established stations. Grant of the instant request for STA for 2217 MHz and 450-461 MHz would serve the public interest by enabling 3G Wireless, LLC to supply the requested remote camera systems for television coverage. The proposed service would enhance

coverage of the events by providing on the spot pictures and camera control from mobile locations that would not otherwise be available to the production company. Grant of the instant request for STA in the 450MHz UHF Band would serve the public interest by enabling 3G Wireless, LLC to supply the requested remote communication coverage for this event.

In accordance with Section 74.633 of the commission's Rules, the following is provided:

Applicants Name: 3G Wireless, LLC

Address: 501 McCormick Drive, Suite B

Glen Burnie, MD 21061
