Subject: Request for Info - STA File # 0304-EX-ST-2002

Message:

I am questioning the need for an STA to do what you are requesting. You are asking to use Part 15 equipment prior to equipment authorization. Most of the time an STA is not necessary. Please read Part 2.803, paragraphs (e)(1), (e)(1)(v), (e)(3), (e)(3)(i), and (g). If you are in compliance with these rule parts, then you do not need an STA. If you believe you still need an STA, please state your reasons why you need one.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 30, 2002 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
