Subject: Request for Info - File # 0025-EX-CM-2019

Message:

Ms. Nguyen,

The purpose of the modification application, ELS File No. 0025-EX-CM-2019, submitted by 3DB Communication Inc. (3DB) is to request authority to use additional equipment and frequency bands and modify the operating parameters of 3DB's experiment. 3DB is providing this information in response to FCC correspondence, Reference No. 46291. 3DB submitted a more detailed description of the proposed modifications in the confidential exhibits to 3DB's application.

Please contact me with any questions.

Respectfully submitted,
Sarah K. Leggin
Counsel to 3DB Communication Inc.
