To Operate in the 1435-1525MHz, 2200-2290MHz and the 2360-2390MHz Telemetry Bands to Provide TV Coverage in Sunrise, Florida.

ATTN.: Microwave Branch

3G Wireless, LLC hereby requests Special Temporary Authority (STA) to operate in the 1435-1525MHz, 2200-2290MHz and 2360-2390MHz Telemetry Bands pursuant to Section 21.25 of the Commission's Rules. 3G Wireless, LLC requests that the Commission grant it temporary authority to operate on the frequencies centered at 1456MHz, 1476MHz, 1496MHz, and 1516MHz with a 16MHz bandwidth, 2206MHz, 2218MHz, 2230MHz, 2242MHz, and 2254MHz, with a 8MHz bandwidth from May 01, 2015 through May 04, 2015 with intermittent usage. As explained below, 3G Wireless, LLC is filing an STA request for the Live Television Transmission of the "Wings for Life World Run" in Sunrise, Florida. 3G Wireless, LLC submits that there are extraordinary circumstances warranting a grant of the STA request.

Ocean Watch Productions has contracted 3G Wireless, LLC to provide the necessary microwave for the Live Transmission of this Event. Due to the extreme frequency congestion in the Sunrise area, coupled with the added congestion from traditional Television and News coverage of the special event, 3G Wireless requests the use of channels in the 1435-1525MHz and 2200-2290MHz Telemetry Band.

3G Wireless, LLC certifies that the operation of the requested channels for the purposes specified herein will not cause interference to any established stations.

Grant of the instant request for STA in the 1.4GHz and 2.2GHz Band would serve the public interest by enabling 3G Wireless, LLC to supply the requested remote video coverage for this event. The proposed service would enhance coverage of the event by providing on the spot pictures from mobile locations that would not otherwise be available to the Production Company. 3G Wireless, LLC is in the process of obtaining the consent of the relevant frequency coordinators for this project, including AFTRCC. AFTRCC has indicated its intent to forward the results of the coordination to the Commission.

In accordance with Section 74.633 of the Commission's Rules, the following is provided:
