In Application of 3G Wireless, LLC

501 McCormick Drive, Suite B, Glen Burnie, MD 21061

To operate at 2270-2290 MHz at the Kentucky Horse Park in Lexington, KY.

ATTN.: Microwave Branch

3G Wireless, LLC hereby requests Special Temporary Authority (STA) to operate at 1476MHz pursuant to Section 21.25 of the Commission's Rules. 3G Wireless, LLC requests that the Commission grant it temporary authority to operate on the frequencies centered at 2276 MHz and 2286MHz with an 8 MHz bandwidth on November 1, 2019 with intermittent usage. As explained below, 3G Wireless, LLC is filing an STA request to provide two RF camera system to the Kentucky horse Park in Lexington, Kentucky for SEC's presentation of "2019's SEC Cross Country Championship". 3G Wireless, LLC submits that there are extraordinary circumstances warranting a grant of the STA request. ESPN has contracted 3G Wireless, LLC to provide wireless camera systems to operate within the Kentucky Horse Park for the 2019 SEC Cross Country Championship telecast. Due to the extreme frequency congestion In Lexington, KY, coupled with the added congestion from traditional Television and News coverage of area events, 3G Wireless requests the use of these channels. 3G Wireless, LLC certifies that the operation of the requested channel for the purposes specified herein will not cause interference to any established stations.

Grant of the instant request for STA for 2276 MHz and 2286MHz would serve the public interest by enabling 3G Wireless, LLC to supply the requested remote camera systems for television coverage. The proposed service would enhance coverage of the events by providing on the spot pictures from mobile locations that would not otherwise be available to the production company.

In accordance with Section 74.633 of the Commission's Rules, the following is provided:
