Dear Greg Robinson,

This refers to application, File No. 2150-EX-ST-2019, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. The application is dismissed because NTIA objects to authorize the STA request on behalf of 3G Wireless, Inc. for Multiple Locations during the period 5 December 2019 thru 29 December 2019, for the following reason(s):

- In order to protect federal operations, notching of multiple discrete frequencies within the requested band does not allow for the requested emission bandwidth.

Anthony Serafini
