Subject: Additional Information Request

---

Message:

Please address the following questions and concerns.

- 1) Provide a detailed narrative that describes your experiment.
- 2) Provide a signed Orbital Debris Assessment Report.
- 3) 2200-2290 MHz is a wide request in the Federal Band. Narrow down this request to the band that you will be operating on. Research recently granted licenses for other launch vehicle to see what frequencies they are using.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 29, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
