Subject: Additional Information Request

Message:

In addition to the previous questions, please address the following:

1. What are the dimensions of the spacecraft? What are the dimensions of the deploying antenna?
2. Does the spacecraft have maneuverability functionality? Propulsion, differential drag, etc.?
3. What is the large object collision risk of the spacecraft?
4. Are there any end of mission procedures planned? Disconnecting the batteries from charging, depleting any remaining charge, etc.?
5. What is the version of DRAMA used in calculations?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 19, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
