Subject: Additional Information Request

Message:

Please address these additional questions:

1. The version of DRAMA you used is out of date. The current version available on the website is listed as 3.0.3. Please obtain the current version of DRAMA, or other high fidelity modeling software, rerun the calculations and submit an updated ODAR.
2. Please provide additional information regarding the trackability of the MyRadar1 spacecraft. Are there any additional modules or functions that increase the trackability of the object beyond its size? Please provide additional detail on the trackability of the Rocket Labs pocketqubes as they relate to MyRadar1.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 26, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
