Subject: Additional Information Request

Message:

When you filed for this experimental license it was my understanding that you have filed for 1 satellite MYRADAR1 based on all information you provided and that's what I coordinated for. It's a bit late in the process for you to be asking if changing to 4 satellites is even feasible. Provide a revised response.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 09, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
