Subject: Additional Information Request

Message:

It appears you have changed your Apogee and Perigee information. The NTIA coordination for your frequency request is complete but the Orbital parameters that you provided and the parameters that I submitted to NTIA

ORB,97.4IN00550AP00550PE001.60H01NR

Your latest NTIA Space Record form has

ORB = 97.4IN00500AP00500PE001.6H00NR

Revise the Apogee and Perigee to what has already been coordinated with NTIA and what you originally submitted.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 10, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
