Subject: Additional Information Request

Message:

Hello,

In a follow up to our prior emails and phone calls this week and last, we are requesting an update on the status of our license. Today is the cutoff date for launch integration we previously shared and, as we expressed, we're on the verge of losing our second launch slot.

We're reaching out again to request some status as to the disposition of the application to get guidance on how to proceed. We have responded within 48 hours to all three requests going back to the beginning of this year and was last informed we were "very close" several weeks ago.

We'd appreciate a response. Thank you for your time and consideration.
