To the Commission:

On behalf of Allen-Bradley Company, Inc., electronically transmitted herewith is an application on FCC Form 405 for renewal of the license for Station KC2XAG.

Please note that Allen-Bradley also requests renewal for a 5-year (rather than 2-year) term. As noted in the exhibit to the application, Allen-Bradley requires a 5-year license so that it may complete the program of experimentation as described in the original application.

If you have questions, please call me at (202) 719-7235.

Respectfully submitted,
