Re: Amoco Corporation
Experimental Radio System
North America

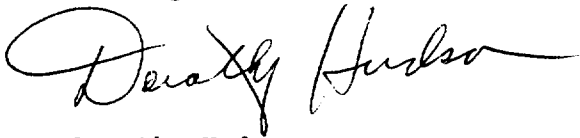

Gentlemen:

Amoco Corporation is requesting authorization for a new experimental radio system to be used to respond to emergencies resulting from natural disasters, chemical release, fires, and oil spills in remote areas of North America when no local or reliable communications facilities exist.

Enclosed please find a completed FCC Form 442, and a check in the amount of ~~\$45.00~~ ^{90.00} to cover the FCC filing fee. *DH*

If you have any questions regarding this request, I can be reached at (312) 856-3768.

Thank you.
