Subject: ARINC STA request

Dear Mr. Kennedy,

Thank you for your telephone call yesterday in response to the problems that I had with online fee payment.

I went ahead and filed for a new FRN number and filed a new STA renewal request with the new FRN. This time the application was accepted.

There are two applications that I filed that can now be dismissed. They are file numbers 0272-EX-ST-2007 and 0268-EX-ST-2007.

Thank you for your help.
