

It is stated:

“Prior coordination with the AFTRCC is required for the frequencies 2380.00000000 MHz requested in this application. Please upload the pre coordination document. Please disregard this notification if you already uploaded the pre coordination document.”

The frequency 2380 MHz is not part of this application. We are only requesting X-band centered at 9510 MHz.

Thank you,

Evan C. Zaugg, Ph.D.

Chief Radar Systems Engineer
