Re: Experimental Radio Station KA2XZZ
File No. 0989-EX-PL-89

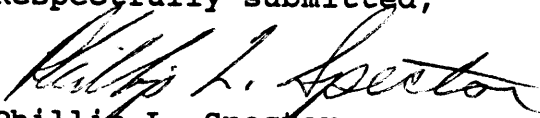

Dear Sir or Madam:

Submitted herewith for filing is an application on FCC Form 442 requesting a modification of the license for the above-referenced station. The modification is necessitated by a slight change in coordinates following the relocation of the offices of the licensee. A \$35 check covering the applicable filing fee is also enclosed.

An application is already on file requesting a pro forma assignment of the license for the station from AT&E Laboratories, Inc., to AT&E Laboratories, Inc., Debtor-in-Possession. In addition, contemporaneously with this filing, an application is being filed on FCC Form 405 requesting the renewal of the station license.

Please direct any questions concerning this filing to the undersigned.

Respectfully submitted,

Phillip L. Spector
Attorney for
AT&E Laboratories, Inc.,
Debtor-in-Possession
