Message:

Please submit an exhibit that responds to the NTIA requirements in the NTIA manual under section 8.3.28. This must include the power calculations for item 6 and a stop buzzer contact. The manufacturer should be familiar with these requirements.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 20, 2011 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
