Subject: Experiment application 0123-EX-PL-2004

Message:

This is just a follow up to our phone conversation. To sum up, we discussed issues that need to be addressed to move your application through government coordination. The need to narrow your requested frequencies and coordination with the FAA and any other entities involved. Most likely, this will require more than 30 days so you can disregard the 30 day boilerplate language that is automatically inserted by our system.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of June 29, 2004 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
