Re: KI2XIW – Experimental license for Clearwater, Florida facility

To Whom It May Concern:

In 1999, Alliant Techsystems Inc. restructured each division of the business into wholly owned subsidiaries (LLCs). This process has been ongoing as necessary over the last three years.

Again, another name change has occurred. Our Clearwater facility's reporting structure now falls under ATK Tactical Systems Company LLC. Our request is that you update license KI2XIW to reflect this name.

If you have questions about the necessity for the experimental license, your point of contact will be Keith Ex at the Clearwater location. Mr. Ex's number is 727/572-2141.

Your prompt attention to this matter is appreciated.
