Message:

Dear Mr. John Church:

A radius of 40 kilometers for mobile operations was entered in the Transmitter section of this application.

Within the 40 kilometer radius from the reported geographical coordinates, will the antenna be mobile while transmitting, or will the antenna be transmitting from temporarily fixed locations?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of July 26, 2004 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
