Message:

The experiment license is used for frequency test purpose. If your company would like to use the frequency 1030 and 1090 MHz, please submit the following information:

- 1- Coordinate the applied frequencies with FAA Regional Office, and provide FCC a complete FAA coordination including NG T numbers and FAA point-of-contact.
- 2- Name and phone of person who will terminate the system if interference occurs.
- 3- Complete ERP values.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of December 19, 2013 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
