Hi,

I thought that was what I was doing? Who/what/where is the coordinating office in that area with phone number please? Andrew Tamanaha (andrew.tamana@faa.gov) / Lacey Spriggs (lacey.spriggs@faa.gov) are my points of contact in the FAA and John Thompson the applicant responsible on the form will be the person who shuts the system off in the case of need. Andrew have you coordinated with FAA and do you have an NG T number (whatever those are)?

Thanks,
Mike
