GRANT-IN-PART

Dear Andy Thurling,

This refers to application, File No. 0531-EX-PL-2013, for Experimental Radio Station WG2XVN.

The enclosed authorization shall be considered as a grant of the referenced application unless rejected by a written notice within thirty (30) days from the date of this letter, whereupon the enclosed grant will be vacated. Such rejection should include a statement of the reasons, if any, why the applicant believes that the application should be granted in accordance with the terms requested therein.

You are advised that the Commission was unable to make a finding that the public interest would be served by a grant of the application in the manner requested. The use of the 400 MHz frequencies was denied due to concern of potential harmful interference.

Responses to this correspondence must contain the Reference number : 22115

Sincerely,

James R. Burtle
Chief
Experimental Licensing Branch
