

EXPLANATION OF AMENDMENT

September 3, 2019

The amendment submitted today, September 3, 2019, deletes the frequency channels for which Special Temporary Authority is requested, and substitutes frequency channels 1840-1845 MHz. The amendment corrects an error made in transcribing data from the draft application to the original application filed with the Commission on September 2, 2019. No other changes are made to the application for Special Temporary Authority.

We apologize for this error and appreciate the Commission's understanding. Please call upon us with any questions.
