Subject: Request for Info - File # 0371-EX-CN-2021

---

Message:

Dear Hung Le,

This application is for a Fixed location Earth Station. The Satellites in Space shall be "ALSAT". I was not sure where to add the "ALSAT" in the application. Since this application is for All Geostationary Satellites that are visible from our location, I cannot provide the requested information as it varies depending on which Satellite we are utilizing at the time.

Please let me know if you require more information.

Best regards,

Arthur Larson
