Subject: Request for Info - File # 0371-EX-CN-2021

Message:

None of the XAD's on the list is applicable.

To test the antenna at the ground station only, applicants don't need to enter polarization, orientation, antenna dimension, ...
If applicants request to communicate with the satellites in space, they have to provide all the information about it including ODAR, antenna dimension, ...

For an example, please see the following XAD/RAD format if it is applicable to your application.

16G030B000-360A00357H006

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 29, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
