Subject: Additional Information Request

Message:

1) Antenna exhibits can be classified as non-confidential.

2) 32° 58' 29.9136" N
114° 16' 15.3804" W
for both requests

3) 200km (two hundred) for both Mobile and Base and Mobile requests

4) Steve Sparks, Yuma Proving Ground Spectrum Manager
928-328-7144
928-304-6369

5) 2.358 - 2.362 GHz request was removed from the application prior to payment. I will submit a separate application for this frequency at a later date if required.
