Subject: Additional Information Request

Message:

1) Applicant Name, Stop Buzzer Point of Contact Information, Geographical coordinates, Frequency, ERP, Bandwidth, Emission information can't be Confidential. It has to be available to the public. What information in your exhibit do you want to keep confidential? If this was done by accident then upload another exhibits that are non-confidential. Make sure to remove the FRN number before you submit your exhibit. If you request Confidentiality then upload an exhibit that contains confidential information only. You must submit an item-by-item justification for the confidentiality request to answer the nine subsections of Part 0.459(b) of the FCC's rules. All non-confidential material must be separated from the confidential material and must be viewable by the public, as must the confidentiality justification.

2) Frequencies for GPS receiver testing are supposed to 1575.42 for L1, 1227.60 for L2, 1176.45 for L5. Why are you requesting other frequencies?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 24, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
