

SUBJECT: New License for another frequency in 2.3GHz Band

Dear Sir/Madam,

Altiostar has already been granted a license at the same location with frequency band of 2365MHz-2385MHz (Call Sign: WG2XHO) . This application has been filed for another frequency in the same 2.3GHz band (2345-2365MHz) with 20W ERP to test inter-frequency handover.

A license fee of \$ 60 has been paid.

Request you to process this application.

Thanking you in advance.
