Subject: Request : Company Name Change - Experimental License
Attachments: ATT00001.txt; Company Name Change.pdf; Company Name Change-Delaware.pdf

Hi Douglas,

Hope you are doing good. Apologies for sending this email late as it took some time for me to gather all the details.

Thanks for the time in the morning & as I mentioned that we have experimental license (XD) for 4 different locations in Tewksbury, Boston, MA under the company name of "**Radio Mobile Access, Inc**". Pls refer to the copies of the licenses in the attached zip folder. As discussed in the morning, the company name has now been changed to "**Altiostar Networks, Inc**". The address etc remains unchanged. Request you to update the name of the licensee in the FCC database. I have also attached the Form 442 application & the file confirmation number for your reference. Pls refer to the attached zip folder.

I have also attached the authorization letter for the company name change for your reference.

As discussed, once the company name is changed, then we will have to file the application for modifying some of the technical data parameters in one of the license (Need to correct the geo location for Ames Pond).

Could you pls acknowledge this email & let me know if you require anything else.

Appreciate your help in this regard.

Thanks & Regards,
Gurpreet Saggu
