Hi Nimesh,

You can withdraw this STA request (1366-EX-ST-2020)

I want to keep 1492-EX-ST-2020. I hope this timeline is more favorable for your office?

Scott

Scott,

I finally got an official response from NTIA stating that they are unable to coordinate with federal agencies before the End Date and wanting to know if you can change the dates for your STA request. The technical parameters will still be the same that you had initially listed (ERP 6309.5 kW and 43Hz). Would you like to like to change the date or would you prefer to withdraw this STA request?
