We would like to update the record and progress of your experiment. Please submit an exhibit that addresses the following.

1. Describe the current operations and testing being conducted under your license.
2. What is the purpose of the additional satellites and why can this not be provided under your existing license?
3. Is your testing moving out of the experimental phase and should be considered to transition out of the Part 5 experimental license?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 10, 2012 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
