

Aprize Satellite Inc.

Form 442 File Number: 0084-EX-ML-2010

Exhibit 2

Question 14 Explanation

Aprize Satellite Inc. application File No. 0001-EX-ML-2008, for experimental authorization was dismissed without prejudice on March 25, 2008 due to a failure to respond to the Commission correspondence dated February 26, 2008. This was due to an internal computer failure whereby the Commission correspondence was not received. The situation was corrected and the requested information provided to the Commission. The license was approved and file No. 001-EX-ML-2008 became effective on November 1, 2008.
